

Ground Operations Notice (GON)

2016/04

Applicability:	All	Issued	06/10/2016
		Effective	06/10/2016

Fire Hazard Associated with Samsung Galaxy Note 7 Devices

1. Introduction

- 1.1 We would like to kindly notify you about the following hazard that was officially issued by Samsung Corp. concerning the reported incidents (as of September 1, there have been 35 cases that have been reported) associated with Samsung Galaxy Note 7 devices.
- 1.2 According to Samsung Corp., as a result of the investigation carried out the company learned that there is an issue with the battery cell.

- 1.3 As a consequence, Samsung Corp. has decided to replace the devices and have stopped sales of the Galaxy Note 7. For customers who already have Galaxy Note 7 devices, Samsung will voluntarily replace their current device with a new one.

2016/04

2. Recommendations

2.1 Considering the above mentioned information, as Freebird Airlines, we would like to ensure that passengers are warned verbally or via picture (if possible) during check-in.

- Passengers keep any Samsung Galaxy Note 7 device that has not been replaced as mentioned above turned off, do not charge it while on board of the aircraft and do not put these devices inside the checked baggage.

3. Queries
